

Crack the Code!

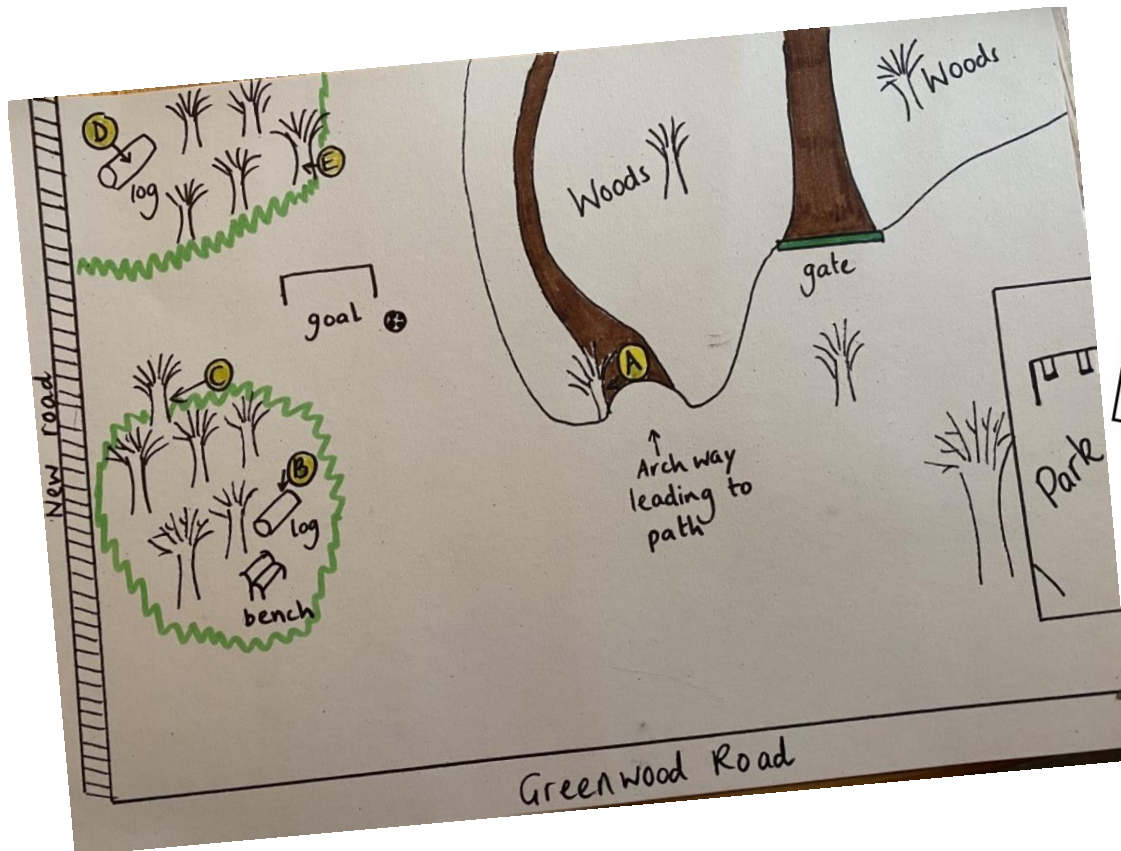

Hi Adventurers,

Who fancies some chocolate?! 🍫 Well to win yours all you need to do is CRACK THE CODE! 😊 Hidden in Colwick Woods are 5 numbers. You need to follow my map and record the numbers in the correct order to find the code. Once you have found all 5 numbers you need to go to the Greenwood Road gate and press the 'primary' buzzer. Shout out the code and if it is correct the gate will open and you can go and claim your prize!

Good luck! Prizes will be available until Tuesday 9th Feb! 😊

Send me a picture of you with your prize to lbeldham@nottinghamacademy.org or add it to our twitter thread: <https://twitter.com/nottmprimary/status/1357593506458587136?s=21>

Enjoy your Friday treat! 😊
Miss Beldham
