

Finger Painting

Finger painting is great fun especially when all you need is paint, a cloth, some paper and some fingers of all sizes!

See how many different objects, animals, minibeasts and even people you can all create – you could have a family competition!

I created Mr Barker (*Ssshhhh don't tell him!* 🤫)

Please send me your pictures, big or small it doesn't matter, all that matters is that you have a little bit of fun!

Let me know which is your favorite - I have two; my cat and my bunch of balloons!
