Children's Centre Activities

We want all children and parents and carers to be happy, healthy and to support their child/ren to be ready for school. Children Centres provide a variety of sessions and support for families from pregnancy to 5 to support this. All families are welcome. To keep you up to date with all of the sessions and support we offer, we will request that you complete a Children Centre Registration Form. For more information please ask a staff member who will be happy to help. All sessions unless stated otherwise are FREE!

Stay Play & Learn

Come and join us, as we play, learn and sing together; encouraging learning and development through play with a wide range of activities and resources available for children 0 – 5 years.

Family Support Clinic

One stop shop for early help support or referral to other agencies for families with children 0-19. This may include DV support, behaviour, benefit support, food vouchers, housing support, school admissions support / setting applications.

Sensory Room

Enhance your child's development through stimulating the senses. Have fun in a relaxed and safe atmosphere. Pre-booking is not always necessary.

For further information and details of activities please go to:
