Dear Parents/Carers

Changes to the Sneinton Boulevard Site

We hope you all had an enjoyable break; the children are settling back into the classes wonderfully and looking forward to the term ahead.

You may have noticed that there have been a few changes to the small yard and car parking area over the Christmas break. We are in the process of expanding the play area to give our children more space during their break times. In order for us to do this, we have reduced the car parking area and put new fences around the play area to increase the safety levels for the site.

Unfortunately, this means that the parking restrictions which were put into place during the Autumn Term will be affected. Due to the reduction in space for turning and following a minor accident in the car park this week, we will no longer be able to allow vehicle access to the site for parents dropping children off at breakfast club or collecting them from the Afterschool clubs. Therefore, with immediate effect, yellow passes will no longer allow any access to the car park on Sneinton Boulevard.

For parents who have been issued with purple permits for access to the car park, these will remain in place for the time being. Purple permits are issued on a case by case basis at the discretion of the Primary Principal. For those who do have permission to use the car park please can we ask that you take extra care when driving in and around the car park? Please note that, if the car park is busy and it is believed that it would be dangerous for any more vehicles to access the area you will be asked to wait until another vehicle leaves.

If you have any questions with regards to any of this please contact me on the playground or via the school office.

Yours Faithfully

S Jones
