

Nottingham Academy Primary

Christmas Fair

Wednesday 18th December

Come along to our fantastic Christmas Fair on Wednesday 18th December at Greenwood Road!

This year, we will be doing things slightly differently and will have a number of musical performances from our children alongside our wonderful range of stalls.

The timings will be as follows:

- 3pm** – Brass performance in the playground to open the fair
- 3.30pm** – Ukulele performance in the dining hall
- 4pm** – Choir performance in the dining hall to close the fair

As always, we will have a wide selection of parent and teacher stalls which will be situated in the Secondary dining hall and will be open between 3 - 4.15pm.

If you are interested in having a stall at the fair, please contact reception on either site and register your interest. We will operate on a first-come first-served basis as our stalls are very popular and we are limited for space. A member of the admin team will contact you to confirm if you have a place. In line with the sustainability work we are doing in school, we encourage parents to use this opportunity to sell some pre-owned items you no longer need and could go to a new home.

We are delighted to inform you that Santa is also making a special trip to come and see us at Nottingham Academy during the Christmas fair! There will be a chance to come and visit Santa in his grotto and even have a photograph taken with him!

We hope to see you there!
