

Adventure Challenge!

We would like you to go on a Winter Sensory Walk. This will involve you using your sense of hearing 🦻, sight 👁️ and touch 🖐️ to explore some wintery nature things!

Have a look at my chart, I wonder how many you can tick off?

Maybe you can take some photos of you on your sensory walk and send them to me at; lbeldham@nottinghamacademy.org

Or add them to our school Twitter page - @NottmPrimary

Wrap up warm, it's freezing out there!

Take care and stay safe,

Miss Beldham

Listen for... 	Ice crunching 	Ducks quacking 	Boots squelching in the mud 	Birds tweeting 
Look for... 	A nest 	A bare tree 	Animals tracks 	Berries 
Touch... 	Tree bark 	Chilly cheeks! 	Ice 	A pine cone
