

Beautiful Beetles With a Foreign Twist!

For this week's art we are going to have some well-deserved, stress free time. Over this week and half-term, I would like you to use all the techniques you have learnt from this whole term and draw then paint or colour in this beautiful beetle!

As you can see there are a few words around the edge in different languages I wonder if you can find out what they mean.... the clue is in the title!

Watch my video for simple step-by-step guide to create this piece of art!

Enjoy half term everyone,
Mrs. Lineker
