

# A Wall of Art Graffiti Style

Well, this is our last online learning Art session as next week we are all back at school! Hooray!

Last week in our live lesson we started to do a wall of graffiti and I would like to carry on with this, this week.

If you finished your name, I would like you to choose an inspirational word to put on your wall that means something to you. Here are a few examples:

Hope

Courage

Determination

Strong

Smart

Happy

Smile

Brave

Loved

I would like to make the wall outside the art room into a Wall of Graffiti, with all our amazing words that this Pandemic has made us appreciate and realize are dear to us!

Art is very important as it gives you a way to let out your feelings and ideas. You can learn a lot through art as you learn to draw, paint, and make collages. You are learning about the world around you (colors, shapes and sizes of objects). Art helps you to become a confident & amazing person!

Always remember no matter what art you achieve, you are a brilliant human being, and I am so glad that you have crossed my path!

Take great care,

- Mrs. Lineker ♥
