## Create a Superhero Bear!

Welcome to our 4<sup>th</sup> edition of our Whole School Art. This week's Whole School Art project is a nationwide competition organised by John Lewis & Partners.

**Can you create a  
Superhero Bear?**

**Are you going to  
be the one to WIN?**

Well, if you are you need to be taking part in this, the winning design will be turned into a real toy and sold nationwide in all the John Lewis stores!

**100% of the proceeds will go to our wonderful and amazing NHS.**

As you can see below, my Superhero Bear is a Panda. I started off by doing a sketch – remembering our saying in the Art room... *'Draw light until you get it right'*.

I went around with my colouring tools, after that I rubbed out my pencil marks and continued to colour in my Super Hero Bear.

The closing date is Wednesday 6<sup>th</sup> May so you have just over 1 week to do create your bear. You can send me your bear through our Class Dojo, Teams or our Twitter platform **@NottmPrimary #DesignYourSuperBear**

I had great fun in designing my bear; you can do anything you like! Try to make it as big as you can so we can really see its greatness.
