So, this week for our Whole School Art we are looking at what **we could be** when we are older. Could you be an Astronaut, a Musician, an Illustrator, a Scientist, a Teacher, an Artist or even a Chef?

I would like you all to have a go!

Can you sketch a Lego character and show me what you could be? What skills, qualities and commitments you may need to be who you want to be?

As you can see, I could be a chef!

**Have fun with this week's art, take great care and I look forward to seeing all your artwork!**
