Dear Parents/Carers

Re: Year 6 Return to School – Tuesday 09 June 2020

We hope you are well and adapting positively to the circumstances we currently find ourselves dealing with, it has been a difficult period and we are looking forward to welcoming our year 6 children back into school.

We do fully appreciate that for some parents this might not be the moment you want your children to return to school, the decision is potentially difficult, we want to reassure all parents we will support you and the decision you make. If your child does not return to school at this moment, we will continue to provide a Home Learning package. As far as possible we will connect this learning to the learning those children attending will be engaged with and we will also set up meetings so that all children are invited to 'catch ups'.

If your child does return to school, it will be on a rotational basis, this is necessary as we are only able to accommodate a maximum of 8 children in each classroom.

Your child will be invited to attend for one week and the following week they will return to Home Learning. In-school learning will cease at lunchtime each Friday, this is to enable staff to plan, prepare and assess future provision.

During this period, learning will be prepared in two-week blocks, a block of in school learning and a block of home learning, we will connect the two types of learning so there is cohesion. We aim to provide a significant chunk of learning in outside spaces. The guidance we have received suggests that the outside space is potentially a safer space for children to learn.

Each year 6 child will be placed in a 'bubble' with a small group of other children, they will remain in this 'bubble' for the foreseeable future. All 'bubbles' will be restricted to no more than 8 children and 1 adult.

The only exception to this will be the 10 Y6 pupils who have been part of the key worker provision at Greenwood Road. These 10 children will remain in this 'bubble' and they will receive their provision at the Sneinton Boulevard site in the dining hall space. As children of key workers, they will be able to access in-school provision weekly, they will not be part of the rotational system.

In-line with social distancing regulations, we will operate a staggered start to the day, this will also apply at the end of the day. Your child will be on site at either 8:40am-3:00pm (until 12:00pm on Fridays) or 9:00am- 3:20pm (until 12:20pm on Fridays). Your child's timings will be confirmed on Monday 8th June by the leader of their 'bubble'.

@NottmPrimary

All children attending are expected to wear clean/fresh clothes each day, we do not expect children to wear a school uniform. The clothing worn should also be appropriate for outside play, sport and PE.

The dining hall will be used exclusively for the group of key worker children. All children attending will receive a packed lunch meal, this will be provided free of charge, this will not affect those parents in receipt of FSM vouchers, parents will continue to receive these vouchers even if your child attends.

We are hoping all children will eat their lunch in an outdoor space, if the weather makes this difficult lunch will occur in the designated classroom.

If you have stated a desire for your child to return to school on Tuesday 09 June 2020, you will receive further information and guidance connected with how your child will access the site etc. This information will be sent via the adult in charge of your child's 'bubble' on Monday 08 June 2020.

If you have any concerns or require further clarification on any aspect connected to your child returning to school please get in touch, the easiest method is to email sjones@nottinghamacademy.org.

Take care,

S Jones
