July 2020

Dear Parents and Carers,

We hope that you and your loved ones are keeping well and healthy as life begins to resume to normality. Thank you for the time and effort you have put into supporting our children during this difficult time. As we approach the end of term, there will be number of communications being sent out to prepare for our full opening in September.

Following feedback from our parents, we have amended our report format. We hope that the new format reflects the children's experiences at Nottingham Academy Primary: learning through our cross-curricular, continuous provision and intra-curricular curriculum.

For Years 1- 6, we have included a table to reflect the progress, effort and enjoyment for core and foundation subjects. Due to school closures, these judgements are not made against National Curriculum expectations.

	<i>Core Subjects:</i>					<i>Non-Core Subjects:</i>				
	Reading	Writing	Mathematics	Science	Computing	PE/Sport	Art	Music	History	Geography
Progress	Green	Green	Green	Green	Green	Green	Green	Green	Green	Green
Effort	Green	Green	Green	Green	Green	Green	Green	Yellow	Green	Green
Enjoyment	Yellow	Yellow	Green	Yellow	Yellow	Green	Green	Yellow	Yellow	Yellow

The colours assigned to each subject for progress, effort and enjoyment follow the below key:

- Green:** Very good participation and effort
- Yellow:** Some pleasing participation and effort
- Red:** More participation and effort required

Please take the time to discuss your child's report with them, it has been a very different year to the one we had planned and I am sure that we will all remember it for different reasons.

If you would like to discuss your child's report, please get in touch with your child's class teacher in the first instance.

Yours faithfully

S Jones
