Dear Parents and Carers

Prior to departing Nottingham Academy Primary, I wanted to take the opportunity to say a huge thank you to all our parents and carers in the Sneinton and Bakersfield community and in some cases beyond our local area.

Throughout my time at Nottingham Academy Primary, I have absolutely appreciated the support we as a school frequently receive, of course there have been one or two hiccups along the way but the support we have received has been varied and consistent throughout. This means so much, huge thanks.

I am very pleased the newly appointed Principal is such a good 'fit', I am certain Ms French will offer a fresh pair of eyes and a different perspective which will enable the school to move forward positively.

From my perspective working in this community with our children and our team of adults has been both enjoyable and very rewarding, lots of people both internally and externally have gone the extra mile to give our children care, a dynamic range of experiences and relevant learning opportunities.

The pandemic has thrown up many, many challenges but hopefully we are now moving through this period, as we get there, whatever your own and your child's personal hopes and dreams are, I hope at least some of them are realised.

Thanks again and take care of each other,

Steve Jones
