Dear Parents/Carers,

Before/After School Club

As we approach the final term of this academic year, it is my intention to complete a review of the Before/After school provision that we currently offer to parents. The scope of this review will include looking at financial viability, as well as the quality of the provision on offer. Once completed, any changes or areas for development will be communicated to both staff and parents.

As part of the review, we would like parents to complete a questionnaire, the link is here:
<https://forms.office.com/e/ZX566kXCwf>

This will enable us to take your views into consideration. We will also be sending out questionnaires to staff and children too.

We are hoping that the review will be completed at some point this term, with further communication being sent out to keep all stakeholders informed.

If you have any questions or queries, please come and speak to us at school. As with all aspects of school, we want to ensure that we are offering the very best to pupils and that any provision we offer is financially viable and sustainable.

Yours faithfully,

Mrs J French
Executive Principal
