

Year 2- Autumn 2

This half term our topic is – Outer Space.

English

Writing:

In English we will be writing a poem based on 'The Sound Collector' before moving onto a narrative called 'Christmas Star', this will be based off a Christmas advert.

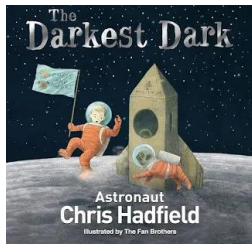

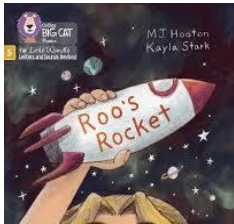

Reading / phonics:

We will be reading:

The Darkest Dark – Chris Hadfield.

Roo's Rocket –MJ Hooton.

Saturn's Secret – Rachael Davis.

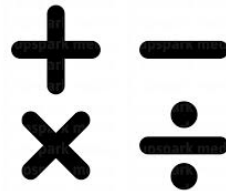

Maths

We will be practicing the 4 operations: addition (+), subtraction (-), multiplication (x) and division (÷).

We will also be learning about money (through addition and subtraction) and shape.

We will be learning to practice the 2-, 5- and 10-times tables.

Science

We will be learning about **living things and their habitats** – the different kind of habitats and the animals that live there.

We will be learning about lifecycles and identifying adults and offsprings.

Things you could do to support your child's learning:

Read with your child at **least 3 times per week** and sign their reading diary.

Encourage them to practice times tables regularly on TTRS and complete the weekly homework.

Talk to them about their learning.

Foundation Subjects:

In History we will be learning about Neil Armstrong and the first Moon landing, this will be supported through our Space Workshop. In DT, we will be studying textiles with designing and making a Christmas decoration. In computing, we will be exploring online safety and learning how to use spreadsheets. In RE, we will be looking at 'believing', with a focus on Judaism. In PE, we will be playing Team Games and solidifying our multi-skills with different ball games.
