

Nottingham Academy Primary

Weekly Newsletter—Friday 6th February

Updates and Messages:

Good afternoon Parents and Carers,

Remember that next week is Parents Evening and if you are yet to have booked an appointment with your child's teacher then please do so as soon as you can. These meetings provide you with an opportunity to ask questions about your child's learning but also provide their teacher with a chance to speak to you about the progress your child is making, they are really beneficial.

At Parents Evening, in the hall, there will be a cake sale taking place in which funds received will be utilised to support future events ran by the school. Bring some cash if you'd like a cake!

Finally, Science Week is fast approaching and very soon you will be invited to purchase tickets to a raffle in which proceeds will be used to pay for specialist Science workshops for the children. Prizes include a new air fryer, signed Forest shirt and many, many more super prizes-keep your eyes out for tickets.

Quiz: How well do your children know our school?

1. What are our three school values?
2. What does your attendance need to be to be in the 'Diamond attendance club?'
3. How many reads do you need to have completed to achieve your purple reading band?
4. Who are our Rising Young Leaders?
5. What are the five British Values that we discuss in assembly?

Answers to follow next week!

Y4 Winter Sports Event!

It's been cold for everyone this week but even more so for our Year 4 team who took part in a Winter Sports Event at Harvey Hadden.

They were supported on the trip by both Miss Goodwin and Mrs Bennett who both commented on how impressive their curling skills were! Maybe we have some future winter Olympians within our community!

Mr Staszkiwicz

27.02.26	Deadline for Battle of the Bands entries
09.03.26	Beginning of Science Week
11.03.26	Science Workshop day

Parent Forum

This morning, we had our first Parent Forum of the academic year and the turnout was great. We had over 20 parents attend the forum and the opportunity to share updates but more importantly gain feedback from parents was really useful. Within the session we discussed communication, priorities within school and lots of opportunities were given for parents to suggest ways in which the school could continue to move forward which included wanting to come in and support us in lots of ways.

Thank you to everyone that attended and hopefully next time we have even more parents joining the session. This will be on **Thursday 26th March**- get it in your diary!

Just look at all the fun they were having!

Riddle of the week for children and adults:

What can you catch but not throw?

Last week's answer: Promise
