EYFS- Rocket Building Parent Workshop

On Wednesday afternoon our EYFS team invited parents in to join their children in a rocket building workshop linked to the children’s recent topic on space. The turnout was absolutely superb and the atmosphere in the EYFS area was brilliant. It was great to see so many parents supporting their children and so many happy faces! I was left with the tough job of judging the winning rocket and the team pictured below ran out overall winners. Congratulations to everyone that took part and to Trixie, Orla and Trixie’s parents. Thank you for all your support as always!

Ethan is heading to the World Championships!

We had brilliant news coming to us from outside of school this week when Ethan (Y5) returned from a National Kickboxing tournament last week. He was majorly successful finishing 3rd overall and this has ensured his qualification for the World Championships next year in Dubai, what an achievement, we’re all very proud!

Parent Forum- 9:15am- Friday 6th February

Just a reminder that we will be holding a Parent Forum meeting next Friday at 9:15am. It is open to all parents and we would love to see as many of you attend this meeting as possible. It is really important for us as a school to continue to take on board parental views and this provides us with an opportunity to do so. Tea and Coffee will be provided, please head to reception if you’d like to be involved.

Riddle of the week for children and adults:

If you don’t keep me, I’ll break. What am I?
