Weekly Newsletter—Friday 27th March

Welcome and updates:

As we reach the end of another term I just wanted to say thank you for all of your support throughout this term. Whether that be supporting your children at a school event, reading with them at home or helping fundraise through donations of raffle prizes it has been a really positive term as a school community.

Thank you as well to the parents who joined us at the Parent Forum this week. It was great to share progress the school is making with you as well as hearing your feedback on how we can continue to improve.

I hope all of our children and families have a great break and we look forward to seeing you again on Monday 13th April.

Thanks,

Mr Staszkiwicz

Battle of the Bands

Last night saw our annual Battle of the Bands competition take place in front of a bumper crowd and as always the standard of entry was incredibly high. We had such a wide range of differing acts including strings performances, brass performances, group singing, individual singing and cheerleading. This made it a really tough decision for the judges to choose an overall winner but in the end it was decided that Elisha-Jae's (pictured below) gymnastics/dance entry to Easy on Me by Adele was worthy of first place. Well done to Elisha and to all the children who took part!

Y5 Artwork

This term Year 5 have been looking at the work of Henri Rousseau in art lessons and have focused on using watercolours to create their own paintings in the same style as the famous artist. Below are some excellent examples of the level of artwork that has been produced by Simarjot (5VL), Eevee (5LTH) and Labiba (5VL). Mrs Lineker was extremely impressed!

Riddle of the week for children and adults:

What is at the end of everything?

Last week's answer: Footsteps
