Highlights and Updates

Messages and updates:

Hello everyone, I hope both you and your children have had a good week.

As we progress further into the term we have some exciting dates on the horizon. Firstly, we have our first sporting events starting to take place with Y5/6 competing in a team relay event next week. On top of this, we now have TTRS day locked into the calendar and we are already making plans to ensure that your children have an exciting day full of times tables and rock!

Finally, as the weather begins to change please ensure that your children come to school with a waterproof coat. We have had a couple of instances this week where it has showered lightly at lunch and where possible we would like the children to enjoy their time outside. Please also ensure that their name is in their coat.

Have a great weekend!

Parents and Carers Coffee Morning

On Wednesday morning, we will be having our first Parents and Carers Coffee Morning of this year. Next Wednesday, we have Shannon Wood from the Mental Health Support Team attending. She, like our own staff, will be available to chat to if you have anything you'd like to discuss involving your child. As always, everyone is welcome and we would love as many parents to attend as possible. Young children are welcome too!

Rising Young Leaders

Over the next few weeks, we will be providing various opportunities for children to become our 'Rising Young Leaders' within school. At Nottingham Academy we believe in providing children with opportunities to grow as characters as well as academically and this will provide children a chance to lead in many different ways. More information will be provided to children soon but these are some of the roles that will be available:

School Ambassador

Eco Leader

Reading Ambassador

Digital Leader

Maths Ambassador

Enterprise Team
