## Weekly Newsletter—Friday 10th October

### Messages and updates:

Hello everyone, I hope both you and your children have had a good week.

Thank you to all the parents and carers who attended our recent Phonics Meeting. It was wonderful to see so many of you engaging with your children's learning and showing such enthusiasm for early reading development. Your support makes a real difference. A quick reminder that Parents Evening is taking place next week, and we're looking forward to welcoming you into school once again. This will also be a great opportunity for us to gather your feedback, which helps us continue to improve and support our pupils in the best possible way.

Please ensure that you have booked your appointments and we look forward to welcoming you into school.

### Y6 go to Condover Hall!

This week, our Year 6 pupils embarked on an unforgettable residential adventure to Condover Hall! From scaling climbing walls and conquering abseiling challenges to dancing the night away at the disco, the children showed incredible enthusiasm, teamwork, and resilience. A huge well done to them all! Special thanks to our dedicated staff who accompanied the trip — especially those who bravely faced the ultimate endurance test: staying up late while the children were still buzzing with energy!

There are some brilliant photos from the trip and the children, although tired, have all said that they had a great time!

### Animals in Early Years!

This week, we had some animals visit the children in Early Years! The children loved meeting Mrs Beldham's cat and he was made to feel like a celebrity for the day!

### Rising Young Leaders

All classes across school have now appointed their Rising Young Leaders for various roles within our school. Next Thursday, we will be celebrating this with an assembly in which the children will receive their new badges. It is going to be brilliant to have so many of our children taking on new responsibilities.

**Have a brilliant weekend, see you on  
Monday!!!**
