Highlights and Updates

Messages and updates:

Hello everyone, I hope both you and your children have had a good week. Please see below this week's news:

OFSTED Report

In the last school week of July 2025, we had our Ofsted Monitoring Inspection. The Ofsted Report will go live on Monday 29/09/25, and we have attached it for you. We are absolutely delighted with the finding in the report, and want to thank our students, staff, and parents/carers for all you have done to ensure that we provide an exceptional provision for our learners. Please read the Ofsted Report and feel proud of what we have accomplished together!

Y4 TTRS/MTC Information Evening

Just a quick reminder for all parents in Y4. On Monday, Mr David will be providing sessions after school for parents to find out more about the MTC check that Y4 children take. Within this he will provide information on how to support your children and it will give you a chance to ask any questions.

Y5/6 Team Relay Event

On Tuesday afternoon, Mrs Balaguero and Mr David took our Y5/6 endurance relay runners out to Harvey Hadden for our first competitive event of the year. This event demands a lot from the children with teams of 6 having to run as many 400m laps of a track as they can within a window of time. Both members of staff said that the children did us proud and were determined and supportive of each other throughout. We also achieved fantastic results. The girls team narrowly missed out on medals finishing 4th out of 14 teams and the boys ended up with silver medals finishing in 2nd place! Well done to all who took part!

6TOR on Radio Nottingham

This week saw the return of European football for Nottingham Forest as they faced Real Betis in Seville.

With this being the case, Radio Nottingham wanted to come and visit a school in Nottingham who did Spanish in their curriculum. They chose us!

6TOR led by Mrs O'Rourke practiced wishing the reds luck in Spanish as well as singing the reds famous 'City Ground' song in Spanish and this was played on the Breakfast Show on Radio Nottingham on Wednesday morning.

Have a brilliant weekend, see you on Monday!!!
