## Weekly Newsletter—Friday 8th May

### Welcome back!

Good afternoon everyone,

I hope you have all had a good week and are looking forward to the weekend.

Next week, our brilliant Y6's will be taking their KS2 SAT tests and everyone at school is wishing them the best of luck. If you are a parent of a child in make sure they have time to relax and enjoy their weekend. They have already worked so hard this year and are ready for next week. Remember all children in Y6 can access breakfast with us next week from 8:15am.

We are also getting ever closer to whole school sports week and I know there is lots of excitement within the school around planned activities. Remember there is still time to get sponsorship forms filled in ahead of meeting our athlete Joel!

Have a great weekend everyone!

### Whole school TTRS tournament starts today!

From today until the 12<sup>th</sup> June, Mr David has organised another whole school TTRS tournament. Prizes this year have already included extra PE lessons, drumming lessons and signed photos from Forest players! Please encourage your children to take part and climb that leaderboard!

### Professional cricketer joining us at Nottingham Academy

Lyndon James, star of Nottinghamshire County Cricket Club will be joining us on Whole School Sports Week. Lyndon has made over 4,000 runs for Notts as well as taking over 150 wickets. We can't wait to have him join us and maybe some of our children will even get to bowl at him!
