Weekly Newsletter—Friday 15th May

Welcome back!

Good afternoon everyone,

I hope you have all had a good week and are looking forward to the weekend.

First of all, I would like to start by saying a huge well done to all of our Y6 children this week who carried themselves with real calm and assurance as they took their KS2 SATS. They have put in so much hard work over the course of this year and I hope they get to enjoy a restful weekend over the next couple of days.

Whole School Sports Week is next week! Remember children can wear PE kits each day and we have so much organised for them. It is going to be a high energy, fun-filled week and we hope that your children are really looking forward to the activities we have in store for them.

Finally, due to an unforeseen meeting I had to unfortunately postpone this week's Parent Forum meeting but this will be rearranged for after half-term. Please keep your eyes out for further details on this.

Have a great weekend everyone!
