Weekly Newsletter—Friday 5th June

Welcome back- OFSTED report!

Good afternoon everyone,

I hope you and your children all had a good break last week and that they have settled back into school well!

Firstly, I was delighted to be able to share our OFSTED report with you yesterday and hope that you have had the opportunity to read through it. We feel it provides a really accurate reflection of our school and the improvements we have made to ensure that we are providing the best for our children, families and community!

Here are some of the quotes from the report that we are particularly proud of.

With regards to our Early Years provision, which was graded as Strong:

“Children make very strong progress across all areas of learning and are very well prepared for the next stage of their education.”

In reference to Personal Development and Wellbeing, which was also graded as Strong:

“Pupils show confidence, resilience and care in their contributions to school life and wider society.”

With regards to Inclusion, which was graded at the expected standard:

“Leaders understand pupils’ individual needs and ensure staff are well equipped to support every child to succeed.”

Finally, it was particularly pleasing to see our pupils’ voices reflected in the report, with children themselves celebrating the diversity of our school community and describing it as one of the best things about their experience here.

Thank you for all of your support in helping us to secure the improvements that we have. We look forward to continuing to work closely with you to ensure that we aspire to keep moving the school forward in a positive way.

Mr Staszkiwicz

22.06.26	Y6 Climbing Trip
23.06.26	Y6 Climbing Trip
23.06.26	F1 Stay and Play Sessions

Girls Football team play at The City Ground

On Tuesday, our Y6 girl’s football team had an amazing opportunity to play on the City Ground pitch. They took part in a mini tournament against other schools and competed incredibly well, winning two of their games. Tianna scored goal of the day with an amazing backheel which beat the keeper. Great work girls!

Y5/6 Cricket Festivals

Yesterday, we sent three teams to the regional City festivals at Clifton Cricket Club. Our teams competed very strongly throughout the competition winning the majority of the games they played. Unfortunately, all three teams ended up finishing runners-up to Nottingham High School. However, we are incredibly proud of their achievements and Mr Taylor-Hutchinson praised the children’s determination and sporting values throughout the competition. Well done to all involved!

Riddle of the week for children and adults:

What has to be broken before you can use it?

Last week’s answer: A bottle
