

Nottingham Academy Primary

Weekly Newsletter—Friday 26th June

Welcome and updates:

Good afternoon everyone,

Thank you for your support and understanding this week as we have experienced extreme temperatures and have had to make some difficult decisions.

Firstly, I just wanted to remind all parents that I will be holding the postponed Sneinton Boulevard information meetings next Wednesday (1st July) at both 3:30pm and 5pm. This will provide you with more information about our upcoming move but also give you the opportunity to ask questions.

I am sure lots of you are beginning to also think about transition and the class your child will be in next year. More information will follow around this in the next few weeks and transition days are planned for all children on Tuesday 7th and Wednesday 8th July.

Thanks,

Mr Staszkiwicz

Keep collecting plastic bottle lids!

We have another 2 weeks to go until our Eco Leaders head over to the Future Makers site in Nottingham with all the bottle lids we have collected! We are well on our way to collecting 32,000 but need to keep pushing! Please keep supporting this and saving them when possible!

Sneinton Festival:

Please see fliers in the office for more information!

Mr Staszkiwicz

17.07.26	Future Makers Assemblies
23.07.26	Children's final day at school

Primary Parliament event at the Council House

On Wednesday, a group of our KS2 children visited the Council House in town for a Primary Parliament event. At this event the children discussed how safe and secure they feel in the city and they also presented to an audience around effective ways to keep healthy in both mind and body. They represented our school superbly, well done to Frankie, Noel, Aizah and Ethan. You did us proud!

Follow our Facebook page!

Please follow our new Facebook page Nottingham Academy - Primary for updates. This will enable us to engage more actively with the local community and we are excited to share updates on here!

Riddle of the week for children and adults:

What has a thumb and four fingers but is not alive?

Last week's answer: Wrong
