Weekly Newsletter—Friday 3rd July

Welcome and updates:

Good afternoon everyone,

Firstly, it was brilliant to see so many of you join us at this week's meetings regarding our new site next year. Hopefully, you left the meetings feeling that you had more information around the move and also had the opportunity to ask any questions you might have had. As I mentioned in the meetings, we have members of staff on all entrances in the mornings and after school so should you have any more questions please come and speak to us.

Next week, we will be having transition mornings on both Tuesday and Wednesday. This will provide an opportunity for your child to meet their new class teacher ahead of starting next year. As always, we know that some children may appreciate additional opportunities to spend some time with their class teacher and we will look to plan this in for those children where appropriate. Letters telling parents and children who their new teacher is next year will go out tomorrow.

Finally, on Tuesday afternoon we will be providing all children with an opportunity to see their site next year in person. We will be walking children across to the site and they will all have the opportunity to see playgrounds, the hall and one of the classrooms.

Thanks,

Mr Staszkiwicz

Orchestra assembly!

Our Y5 and Y6 children were treated to a wonderful assembly this morning led by the Robin Hood InterConnect Orchestra. The children participated fully in some well known songs and there was a great atmosphere in the hall.

Keep collecting plastic bottle lids!

It is our final week until our Eco Leaders head over to the Future Makers site in Nottingham with all the bottle lids we have collected! Please keep supporting this and saving them when possible! We have done really well but need to keep pushing.

Mr Staszkiwicz

03.07.26

21.07.26	EP Leavers Event
23.07.26	Children's final day at school
04.09.26	Children's first day back at school

Drumming assemblies!

On Tuesday, Mr Piper was in school showcasing some of the brilliant work he has done with lots of our pupils over the course of the year. It was an absolutely fantastic morning in which children either got to observe some brilliant drumming or got the chance to perform in front of a live audience. As always, we thank Mr Piper for the work he does within the school and if interested he still has some places left for children next year. Please get in touch if interested!

Sneinton Festival:

Please see fliers in the office for more information! It starts this weekend!

Riddle of the week for children and adults:

What is tall when it's young and short when it's old?

Last week's answer: A glove
