

Nottingham Academy Primary

Weekly Newsletter—Friday 17th July

Welcome and updates:

Good afternoon everyone,

I can't believe we are heading into the last week of this academic year but here we are. As a school, we have had a brilliant year with so much to celebrate and I'm excited to ensure this continues as we start the new academic year on our new site.

Yesterday, you will have received further information around plans for September. As mentioned in the letter, if you have any further questions about this please get in touch with any of the staff that are on the gates in the morning or pop into the office. We want to ensure that we start as smoothly as possible next year.

Finally, I'd just like to personally thank you all for your support across this academic year. Every event we have held has been well attended and it's been great to further build the sense of community in the school.

Have a great weekend,

Mr Staszkiwicz

Eco-Leaders visit Future Makers HQ!

Thank you for all your support and efforts in collecting all of the bottle tops that we did. We managed to collect over 7,000. On Monday, our Eco-Leaders had the opportunity to see the next stage in the recycling process as they found out more about the machinery that would be used to create our brand new planters. We are now eagerly awaiting the delivery of these and can't wait to have them with us on the new site!

Mr Staszkiwicz
17.07.26

Y6 Leavers Performances

F1 Graduation

Thank you to all the parents who joined us for our F1 graduation event yesterday!

Riddle of the week for children and adults:

What has many teeth but can't bite?

Last week's answer: A palm tree
